

South Abington Woods Phase II Property Owners Association

POA #13 Wyndham Rd • South Abington Township PA 18411

Storm Door Specifications

In order to maintain uniform aesthetics within the community, owner installed storm door installations must adhere to the following specifications:

- Larson Screen-Away or full glass/screen (or equivalent, such as Anderson)
- White
- Full view
- No decorative scalloping
- Curved brushed-nickel handle
- White extension jambs.

Storm door installations require submission of an External Modification Permit and approval by the Architectural Committee and Executive Board. Third party contractor installation requires contractor's proof of adequate liability insurance coverage.

Adopted 9/14/21
